### ***The Space Between Us: How Jesus Teaches Us to Live Together When Politics and Religion Pull Us Apart***

*by Sarah Bauer Anderson*

Tension in our personal relationships are at an all-time high. Dialogue-when it happens at all-is heated. It isn't that we've lost hope in what faith and politics can accomplish in our world. It's that in our polarizing times, **faith and politics seem to be leading more to rage than actual change.** It's discouraging, disheartening, and disappointing. **But it doesn't have to stay that way.** Civility is not a pipe dream. Nuance is not unrecoverable. Peace *is* possible. And it can all start right here, right now, with us.

***Jesus in Me: Experiencing the Holy Spirit as a Constant Companion***  
**by Anne Graham Lotz**

In *Jesus in Me*, Anne Graham Lotz draws on her rich biblical knowledge as well as her personal journey—including her recent cancer diagnosis—to help us understand that the Holy Spirit is not a magic genie, a flame of fire, or a vague feeling. He is a Person who prays for us, guides us in our relationships and decisions, comforts us in pain, and stays by our side at all times. In this seminal teaching, she explores seven key aspects of the Holy Spirit that will revolutionize how you understand and relate to this vital third Person in the Trinity.

As Anne writes, "One of my deepest, richest joys has been discovering by experience who the Holy Spirit is in every step of my life's journey. Each name that He has been given—Helper, Comforter, Advocate, Intercessor, Counselor, Strengthener, and Standby—reveals another aspect of His beautiful character and has provoked in me a deep love for the One who is my constant Companion . . . Jesus in me."

## **Covenant: Knowing God's Covenant by Kay Arthur**

**\*Precept Upon Precept and In & Out options available**

Covenant is an incredible thread running from Genesis through Revelation. God enters into a binding agreement with His people and always keeps His promises. Trusting Him as a covenant partner frees us from the bondage of worry and anxiety. This study will transform the way you read the Scriptures! Covenant is like the missing piece of the jigsaw puzzle that completes the picture of our so-great-a-salvation. Andrew Murray, the man of God who spoke so profoundly to those living in the late 1800s, wrote:

Blessed is the man who truly knows God as his Covenant God; who knows what the Covenant promises him; what unwavering confidence of expectation it secures, that all its [covenant's] terms will be fulfilled to him; what a claim and hold it gives him on the Covenant-keeping God Himself. **To many a man, who has never thought much of the Covenant, a true and living faith in it would mean the transformation of his whole life.**

\*Precept Upon Precept® is a comprehensive, in-depth inductive Bible study series. Created with an easy-to-follow, daily format that takes approximately one hour per day for 5 days. Know and understand the whole counsel of God, chapter by chapter, verse by verse.

\*In & Out® is a streamlined approach to the same material but requires fewer hours of study time. Take God's Word in so you can live it out! Each In & Out® study follows the corresponding Precept Upon Precept® study so students can participate in the same discussion groups and lectures.

## **1 Peter**

### ***A Cole Ministries Study***

Peter's heart was to follow Jesus; but through his failures he learned to follow God's way and deeply value the living hope that Jesus' death and resurrection secured for all believers.

Peter is explaining to the scattered believers that they will have a new homeland and have a new identity. In fact we are strangers and aliens in this world.

Peter's goal is to assist believers in knowing how to live as we journey toward our true home (heaven) in God's grace, mercy, and love and with great hope!

This is the perfect time to find out how to have hope while living in a strange land; just ask Peter!
