The Pregnancy Care Clinic is a Christ-centered ministry that empowers clients to make life-affirming decisions and is committed to saving lives: physically, emotionally, and spiritually. We exist to provide pregnancy alternatives to individuals and families faced with unplanned pregnancy situations, as well as parenting support and material assistance. Services include, but are not limited to: pregnancy testing, limited OB ultrasound, options counseling, community referrals, parenting classes, maternity and baby clothes, layettes for your newborn, baby food, formula, and diapers.
