Pete and Amy have been with Pioneer Bible Translators since 2002. They have served in West Africa but are now based at the International Service Center (ISC) in Dallas where they assist other teammates by providing leadership, administration, and spiritual support. Pete serves as the Director of Support Services. He provides leadership and direction to the Support Services staff which includes the facility managers, receptionists, and event coordinators. Amy helps with special events and is a forwarding agent for them and another missionary.
