GLOBAL PARTNERS CORNER

Here's a fun piece about how some Global Partners around the world are coping with COVID-19. Nico & Natacha Chantel minister in Kiel, Germany. Hartman's spent an afternoon last September on site with them (while on a Viking Baltic Sea Cruise), but now you also can get a tour of their ministry. [CLICK HERE](#) to view this video. Chantels had planned to be at FBC in May for the Global Partner Conference, but travel restrictions in Europe nixed that along with the conference here also being cancelled.

Nico & Natacha have interesting backgrounds. She grew up in a Central Asia Muslim culture. He was a former Catholic priest and a Chaplain for the French Navy. Meeting later in life, they were married a few years ago resulting in a change of ministry focus for both of them. They ultimately decided to move to Germany to start the International Church in Kiel.
