GLOBAL PARTNERS CORNER

The Resonate Church is a college campus movement in the NW which started back in 2007 on the campuses of WSU (Pullman) and the University of Idaho (Moscow). [CLICK HERE](#) to see their story and vision.

This month, FBC sent Josh & Katie Ekberg a \$600 special gift to help with their recent move as they head up a team traveling north across the border to establish a Resonate Church on the campus of the University of Lethbridge (Alberta) as part of the 21 x 21 Project. Learn more about this project [HERE](#).

Though not FBC Global Partners, Josh Ekberg grew up in Coupeville, having been adopted from Ethiopia at a young age. He was in Clay Miller's Scout Troop growing up. He got saved at the Resonate Church while studying at WSU and came on staff there, eventually moving to Eugene, OR to help staff the Resonate Church ministry there at the University of Oregon.
