GLOBAL PARTNERS CORNER

At the end of our church fiscal year in August, FBC invested in Global Partner West African Vocational School's (WAVS) "They Are Ready" campaign to start construction for Phase 2 of the new WAVS campus in the capital city of Bissau in Portuguese speaking Guinea Bissau. A "Dine & Discover West Africa 2021" fundraising event was held last month in Fresno, CA with over 400 people attending live with a Zoom option.

To view the event on You Tube, [CLICK HERE](#). For a nitty-gritty view of the history of WAVS in Guinea Bissau, get a "virtual tour" of the plans for the new campus, and hear the story of incredible generosity by donors helping bring this project to reality, view the segment from 37:24 min to 1:07:00 min. Over \$200,000 was raised for this project at this event, and FBC's investment of \$1,500 was doubled by a matching grant.

Thank you for the huge response to taking shoeboxes last week! We have more for those who couldn't get there before they ran out. If that is you, come to the lobby for a set of directions and your box to be able to fill. Fill the box with items from the list enclosed in the boxes, pack it up and return it by November 14th. This is a great opportunity to share the love of Christ this Christmas!

CM EMERGENCY DRILL THIS SUNDAY NOVEMBER 7TH

Children's Ministry is having an Emergency Drill this Sunday, November 7, during both our 1st and 2nd services for all classes: babies – 6th grade. Teachers have been trained on what to do in various emergencies; now it's time to practice. Please also take time to process what you should do during an emergency at church.

Our instinct as parents is to rush to our child to save them – at the cost of anything else. However, this is truly only putting your own child – and all the other children – at great risk. Our teachers know what to do to get all the children to safety. Please let me, Rebecca (Rebecca.fbc@comcast.net), know if you would like a copy of our emergency procedures.
