2022 YOUTH DINNER VOLUNTEERS NEEDED

Thank you to all our 2021 dinner providers! 2022 is upon us now and we need some volunteers for the dinners. As a reminder we meet on Wednesday night at 6:30 to eat a meal together for fellowship before other activities start at 7PM. Volunteers would have the option to use our church kitchen, cook at home, or even order in from somewhere.

To volunteer for a night go to [FBC Youth meal calendar](#) | [Tea-mup](#) and pick a Wednesday night. If you save receipts of purchased items feel free to deliver them to Pastor Dan for reimbursement (due to tax regulations receipts from the commissary cannot be reimbursed). Thank you so much for serving, all of us in the youth ministry greatly value your time and effort!

NEW STUDY OPPORTUNITY

You are invited to join Clay and Bev Miller a group called **OWLS—older, wise, laboring, saints**. OWLS is for the express purpose of first training, then networking, "older" disciples with new believers, that they might then disciple the next generation. We are looking for men and women who

are 43 years old and older who have a desire to be used by the Lord to make disciples within our church, our Civilian community, and our Navy community

If you are interested in learning more click [HERE](#) for answers to FAQ's and contact information for Clay and Bev. The hope is to start this study in February so please contact Clay or Bev by January 31st, 2022.

GLOBAL PARTNERS CORNER

Last month FBC sent Global Partner Affiliate Global Media Outreach (GMO) a \$200 special gift to take advantage of an end of the year matching grant and cover the online costs of FBC people participating as online missionaries. GMO is an entirely web-based outreach ministry. Launched in 2004 by Cru, GMO has created dozens of websites that present the gospel message, invite visitors to pray to receive Jesus, and/or email to ask questions. Their emails are then directed to volunteers who answer them and/or pray for their writers. Each online transaction costs the ministry about 10 cents. GMO demonstrates the internet as a powerful, low-cost tool that can penetrate most countries in the world and enable most Christians, including those with physical disabilities, to share the Gospel with people around the world. Recently, GMO merged with another large online ministry called *Explore God*. To learn more, [CLICK HERE](#)

A NOTE FROM ANGEL TREE

Thank you for a successful 2021 Angel Tree! We were able to serve 6 families in the Northwest area and continue to be grateful for your support of the program and prayers for the caregivers and children dealing with a family member being away from their lives. Keep praying for healing! Barbara Eldredge, church AT coordinator.
